G. W. U. Homecoming Oct. 23 to Feature Game With M. U.

George Washington University yesterday announced plans for the annual homecoming celebration for the week end of October 22 and 23. The George Washington vs. University of Maryland game in Griffith Stadium at 2 p.m. October 23, will highlight the week end. A parade will form at the campus at 12:30 p.m. and move to the stadium in time for the game.

The route will be down Twenty-first street to Virginia avenue to Constitution avenue. It will follow Constitution avenue to Sixth street and then go north on Sixth street to the stadium.

More than 60 units are expected to be in the parade and the best three floats will be selected. Homecoming activities will begin the night of October 22 with a pep rally in Lisner Auditorium and the selection of a co-ed to reign as queen. Among the judges will be Dean Henry Gratton Doyle, who has judged Atlantic City Miss America contests for two years, and David Poiland, United Artists Corp. representative in the Washington area.

The morning of October 23 alumni will be received in Columbia House where they will be guests of the General Alumni Association for a "coffee hour" between 10 a.m. and noon.

The homecoming ball, with Jimmy Dorsey's orchestra, will be held at 9 p.m. October 23 in Uline Arena.
